NORTH OF 50-50
By Mal E. Roach /

"North of 50-50" is a burlesque performed by trained animals with the story basis along the lines of the North Western Mounted Police. The officer in love with the girl whose brother is a "bad man" has been delegated to get "his man". It is a case of duty before love, and the man is captured and old time traditions upheld in an entertaining and amusing way by these very clever performers.
